Beautiful Flower A L Reynolds 2013-09-30 Life has gotten a bit boring for Zuria Johnston, and with the exception of her Friday nights out with her best, flamboyant friend, Chase, and her job as a guidance counselor, she seems to have hit a rut. After a rough break-up with her longtime boyfriend, Manuel, her prospects of finding a man also seem pretty bleak. That is, until she connects with her poetic crush, Amir, and he opens her eyes to a world of romance and passion that she didn't know existed. She discovers what it feels like to be loved as a real woman should, and to overcome the difficulties of being a young, strong, black woman who is afraid to have her heart broken for a second time. The thrill of new romance seems to fill the emptiness in her life, but her old life isn't as easy to escape as she first thought. Mistakes that she thought she had left behind threaten to undo everything that she has begun to build in this new chapter of her life, but she isn't the only one battling the demons of her past. The poetic and passionate Amir harbors some dark secrets of his own, and when the truth begins to come out, the connection between her two lovers, old and new, may end her short reign of happiness before it ever fully begun. With love from one man and sworn vengeance from another, Zuria is trapped in the middle, trying desperately to make her way through the tangled troubles of family, love, and happiness. The problem is, she might lose more than the man of her dreams. As this complex and spellbinding story reaches its peak, Zuria will have to risk mind, body, and soul for herself and the people she loves, but will that final risk mean achieving the life she'd always dreamed of? Or will she end up making the ultimate sacrifice?

Hit the Road, Jac! Jacqui Furneaux 2017 "Hit the Road, Jac! should be read by anyone still holding back from taking a risk and pursuing their dreams. When her conventional life fell apart, Jacqui Furneaux responded in a way that surprised many. Her random global wanderings for seven years, astride an apparently obsolete motorcycle, brought beauty, friendship, laughter and romance on the road; when she wasn't fending-off amorous sea-dogs or facing some other adversity with quiet courage."--

William Shakespeare's Long Lost First Play (Abridged) Reed Martin 2018-06-20 Discovered in a treasure-filled parking lot in Leicester, England (next to a pile of bones that didn't look that important), an ancient manuscript proves to be the long-lost first play written by none other than seventeen-year-old William Shakespeare from Stratford. We are totally not completely making this up. WILLIAM SHAKESPEARE'S LONG LOST FIRST PLAY (abridged) is the literary holy grail: an actual manuscript in Shakespeare's own hand showing all his most famous characters and familiar speeches in a brand-new story. But because it's one hundred hours long and contains multiple unwieldy storylines, it was decided, as a public service, to abridge it down to a brief and palatable ninety-minute performance for this lost masterpiece. "Something wickedly funny this way comes!" The New York Times "A breathlessly irreverent, pun-filled romp!" The Washington Post "A top-notch comic deconstruction of Shakespeare!" The Stage--U K

The Naked Farmer Ben Brooksby 2020-10-27 Ben Brooksby is a fifth-generation farmer from St Helens Plains in western Victoria. When he was younger, he struggled with anxiety and other mental health issues, as do so many others in rural communities. A simple social media post helped him to turn things around. After he shared a photo on Instagram showing himself naked in a truck full of lentils, he received a huge response, with other farmers wanting to share their own photos - and their stories. As the Naked Farmer movement grew, Ben met people from all around the country who wanted to get naked for mental health. As they got their kits off, they also opened up about their struggles. This is a heartwarming, moving and candid collection of stories of the challenges our farmers are facing, and the way these communities are banding together in response.
