The idea for the book started from the Quarantine Quiz - a weekly quiz of 20 questions and answers, published in the Murray Pioneer, a valuable regional newspaper covering the Riverland and Murray Mallee regions of South Australia, amongst others. Starting in April 2020, it is still published every week and has developed quite a following in that time. From those weekly quizzes the idea for 1000 Trivia and Quiz Questions For Adults & Kids was born. It has questions that many, young and adult, will be able to answer as it features a variety of topics. While some of the questions deal specifically with the Covid-19 pandemic, the overwhelming majority deal with general trivia topics such as sport, history, geography, entertainment, science, food & drink, etc. There is something in this book for everyone. 1000 Trivia and Quiz Questions For Adults & Kids can be used to conduct formal quiz and trivia nights, for use in the classroom, office or other workplaces, and for informal group or family trivia sessions. Whatever its uses, this book can be a challenging and fun addition to any library.

Newsgames Ian Bogost 2012-09-21 How videogames offer a new way to do journalism. Journalism has embraced digital media in its struggle to survive. But most online journalism just translates existing practices to the Web: stories are written and edited as they are for print; video and audio features are produced as they would be for television and radio. The authors of Newsgames propose a new way of doing good journalism: videogames. Videogames are native to computers rather than a digitized form of prior media. Games simulate how things work by constructing interactive models; journalism as game involves more than just revisiting old forms of news production. Wired magazine's game Cutthroat Capitalism, for example, explains the economics of Somali piracy by putting the player in command of a pirate ship, offering choices for hostage negotiation strategies. Videogames do not offer a panacea for the ills of contemporary news organizations. But if the industry embraces them as a viable method of doing journalism—not just an occasional treat for online readers—newsgames can make a valuable contribution.
