MPJE Master: Federal Pharmacy Law Review Eric Christianson 2019-02-24 This is a must-have, quick review of federal pharmacy law, regulations, and agencies. This is perfect for anyone taking a state MPJE exam. If you are like most pharmacists or pharmacy students, you enjoy taking care of patients, identifying drug therapy problems, and making a difference by using your expert knowledge about medications. Unfortunately, having a basic understanding of laws, regulations, and regulatory agencies that impact the profession is a necessary evil. If you cannot pass the state law exam (MPJE), you can't work as a pharmacist and do all the really cool things that you've wanted to do (including pay off your student loans). MPJE Master: Federal Pharmacy Law Review was intended to simplify the process of learning pharmacy law. We've outlined critical components of federal pharmacy law that you will need to know to pass your MPJE exam. I was always the student in school that needed to highlight the most important information to remember and then I would memorize that information. Recalling information from a large textbook was always difficult for me. Rather than reading a textbook, we've supplied the information in easily digestible, bite-sized pieces. We've used bullet points to help you be able to quickly memorize important facts about each agency, regulation, law, etc. We've also created a super-helpful list of questions within the book to help you identify areas of pharmacy practice where state laws can often vary. This table is a list of questions that you can fill in as you read your respective states' laws and regulations. We've

added this to ensure that you don't overlook the important differences in pharmacy laws across the United States. Whether you are a new graduate who needs to pass your law exam to begin your practice or a 20-year veteran who is moving to a new state, this review will absolutely help prepare you to pass your MPJE law exam and help you obtain your pharmacy license.

Pass the Virginia Pharmacy Law Exam Douglas Lipton 2019-09-30 Are you ready to become Virginia's newest licensed pharmacist? New for 2019, this version has been updated and expanded to include material found on the Multistate Pharmacy Jurisprudence Examination (MPJE). We've included a chapter on compounding covering USP chapters and . We've also kept the easy question-and-answer format of the original, so you will be ready to take the exam with confidence. Whether your practice takes you into community pharmacy, hospital pharmacy, or beyond, this book will help you get started.

Strauss' Pharmacy Law and Examination Review, Third Edition (revised) Steven Strauss 1995-02-14 This revised fifth edition maintains and enhances the features that made the previous four best-selling and highly acclaimed editions (formerly entitled Strauss's Pharmacy Law and Examination Review) so popular among pharmacy law faculty, students, and candidates for pharmacist licensing examinations. The book's extensive editorial contents and multiple-choice review questions accurately mirror the subjects and format of the Multistate Pharmacy Jurisprudence Examination(tm) (MPJE(tm)) and state law pharmacist licensing examinations. The editorial matter reflects the need for new and expanded information to keep abreast of legal and regulatory developments. Further, the addition of new and revised graphics and tabulations are intended to focus on

important facets of law and retention of the topic.

Pharmacy Practice and the Law Richard R. Aboud 2005 Pharmacy Practice and the Law creates a solid overview of pharmacy law, incorporating relevant case laws and historical backgrounds of why and how specific laws developed. The new Fourth Edition stimulates critical thinking issues in pharmacy law and explains the federal and state pharmacy regulation that corresponds to recent directives of the American Association of Colleges of Pharmacy. This text serves as a tool to pass the law portion of a board examination, and helps students develop as practitioners, contributors and leaders to the profession itself.
