Journals and Miscellaneous Notebooks of Ralph Waldo Emerson, Volume I: 1819-1822 Ralph Waldo Emerson 1974-07 Ralph Waldo Emerson, the man and thinker, will be fully revealed for the first time in this new edition of his journals and notebooks. The old image of the ideal nineteenth-century gentleman, created by editorial omissions of his spontaneous thoughts, is replaced by the picture of Emerson as he really was. His frank and often bitter criticisms of men and society, his "nihilizing," his anguish at the death of his first wife, his bleak struggles with depression and loneliness, his sardonic views of woman, his earthy humor, his ideas of the Negro, of religion, of God--these and other expressions of his private thought and feeling, formerly deleted or subdued, are here restored. Restored also is the full evidence needed for studies of his habits of composition, the development of his style, and the sources of his ideas. Cancelled passages are reproduced, misreadings are corrected, and hitherto unpublished manuscripts are now printed. The text comes as close to a literal transcription as is feasible. A full apparatus of annotation, identification of quotations, and textual notes is supplied. Reproduced in this volume are twelve facsimile manuscript pages, many with Emerson's marginal drawings. The first volume includes some of the "Wide Worlds," journals begun while Emerson was at Harvard, and four contemporary notebooks, mostly unpublished. In these storehouses of quotation, juvenile verse, themes, and stories are the first versions of Emerson's "Valedictory Poem," Bowdoin Prize Essays, and first published work. Together they give a faithful picture of Emerson's apprenticeship as an artist and reveal the extent of his hidden and frustrated ambition--to

become a writer.

The Frankenstein Notebooks Charles Robinson 2022-07-30 Mary Shelley's Frankenstein is arguably the best known work of the English Romantic period. First published in 1996, this edition of The Frankenstein Notebooks contains not only facsimiles and transcriptions of all of the surviving manuscripts related to the novel and a corrected, critical text of Frankenstein (or The Modern Prometheus) but also a full range of factual information, drawn from Shelley's and William Godwin's letters and journals, from newspaper ads of the day, and from other available scholarship about the conception, gestation, and birth of Mary Shelley's monster. This two volume set contains a wealth of information vital to the creation and reception of Frankenstein. It will enable scholars, critics and students to see for themselves the exact extent of P. B. Shelley's editorial contributions and trace the artistic and ideological development of the novel at various stages in its formation. It will also enable the reader to explore the text itself to test and evaluate their own theses. This set will be of keen interest to those studying Frankenstein, the Romantics and 19th century literature.

Little Failure Gary Shteyngart 2014-02-27 Little Failure is an autobiography of comic genius by the hilarious Gary Shteyngart. Little Failure - its title the same as the alarming pet-name given to the young Gary Shteyngart by his father when growing up in pre-Glasnost Russia - is one of the most remarkable immigrant memoirs ever written. A candid and deeply poignant story of a Soviet family's trials and tribulations, and of their escape in 1979 to the consumerist promised land of the USA, it is also an exceptionally funny account of the author's transformation from asthmatic toddler in Red Square to 40-something Manhattanite with a receding hairline and a memoir to write. 'Kicks ass - more fantastic, more unbelievable than his novels' Mary Karr, author of The Liars' Club 'A marvel of a story. His finest book yet' Zadie Smith 'Little Failure is a delight' Aravid Adiga Gary Shteyngart was born in Leningrad in 1972. In 2007 he was named one of Granta's Best Young American novelists. His debut The Russian Debutante's Handbook was widely acclaimed (and won the National Jewish Book Award for Fiction), as were his second, Absurdistan (one of the 10 Best Books of the Year in the New York Times) and Super Sad True Love Story. He writes regularly for the New Yorker.
