Cold and Freezer Storage Manual E. R. Hallowell 1980 Abstract: Cold and freezer storage is an important part of food processing and distribution. New power sources and growing energy costs have led to engineering redesigns of storage systems which apply concepts of energy efficiency and conservation. Information on design practices and equipment selection in the refrigeration industry is presented for operators of cold storage installations. Section I describes principles of refrigeration and refrigerants. Section II considers warehouse construction and equipment: small, intermediate and large cold storage facilities; machinery and system selection; control components; and lighting,

electrical supply and insulation of freezers and coolers. Section III discusses warehouse and freezer management and use in terms of the recent growth of the refrigerated foods industry and commodity storage requirements.

Electric Appliance Repair and Servicing Harold Phillips Manly 1955

American Machinist 1971

College & University Food Service Manual Paul Fairbrook 1979 Abstract: The successful college food service director has enthusiasm, empathy, dedication, ethics, quality consciousness, an outgoing personality, leadership ability, food service knowledge, business knowledge, close association with other food service professionals, and awareness of and dedication to good nutrition. A new food service director chronologically prioritizes steps to take to reorganize his operation. The manual presents reorganization steps chronologically to include: 1) developing a master plan; 2) setting up a food purchasing system; 3) establishing budgets and control; 4) building a staff; 5) maintaining food quality; and 6) dealing with residence halls, cash operations, vending, sanitation, safety, catering, special events, and public relations. Appendixes and exhibits provide illustrative, helpful suggestions. A food service director's job can be creative, imaginative, challenging, interesting, and rewarding for the director who is on top of things.
