Gone Series Complete Collection Michael Grant 2014-06-03 This collection contains all six books in New York Times bestselling author Michael Grant's breathtaking dystopian sci-fi Gone saga. These page-turning thrillers invoke the classic The Lord of the Flies along with the horror of Stephen King. King himself said: "I love these books." In the blink of an eye, everyone disappears. Gone. Except for the young. There are teens, but not one single adult. Just as suddenly, there are no phones, no internet, no television. No way to get help. And no way to figure out what's happened. Hunger threatens. Bullies rule. A sinister creature lurks. Animals are mutating. And the teens themselves are changing, developing new talents—unimaginable, dangerous, deadly powers—that grow stronger by the day. It's a terrifying new world. Sides are being chosen, a fight is shaping up. Townies against rich kids. Bullies against the weak. Powerful against powerless. And time is running out: on your birthday, you disappear just like everyone else. . . . Michael Grant's Gone series has been praised for its compelling storytelling, multidimensional characters, and multiple points of view. Included in this collection are: Gone, Hunger, Lies, Plague, Fear, and Light.

The House of Tongues James Dashner 2021-10-21 The author of the New York Times best-selling Maze Runner series leads us on a dark journey of generational horror as we visit The House of Tongues. David Player has spent 30 years trying to forget the traumas of his childhood. The threats, the kidnappings, the murders. The imagined curses of a people born centuries earlier, passed from father to son, mother to daughter, generation to generation. Its climax came in human form, a monster of a man, one of the most notorious serial killers the nation has ever seen: Pee Wee Gaskins. And Gaskins had a particular hatred for the Player family, then for David, himself, who barely escaped those years with his own life intact. Now David is back, his four children in tow, visiting his parents' home, a place he has learned to cherish despite the evils that haunted his younger days. But no sooner does he return than a stranger visits their doorstep, the son of Pee Wee Gaskins. In a terrifying display, right in front of the kids, the man utters threats until he chokes on his own tongue, sparking a series of events that drag David and his family back into the days of curses and murders, onto a path of unimaginable terror, all too familiar. That path leads to an old gothic tower in the woods, a place David had blocked from his memory, a house of horrors both past and present. The House of Tongues.
