Hidden Scars Angela Marsons 2022-11-09 The boy's dark hair shone in the bright lights. His lips seemed about to speak. But his body was cold and his blue eyes would never open again. When a nineteen-year-old boy, Jamie Mills, is found hanging from a tree in a local park, his death is ruled a suicide. Detective Kim Stone's instincts tell her something isn't right. Why, when his mother is told, does she not break down in tears? And how could Jamie have climbed the tree with a recent injury? Kim should be easing back into work gently after a harrowing case left her body and mind broken, but quickly taking charge of her team, Kim is shocked to learn that Jamie's parents had sent him to a clinic to 'cure' him of his sexuality. The clues to smashing open this disturbing case lie behind the old Victorian walls of the clinic, run by the Gardner family. They claim that patients come of their own accord and are free to leave at any time. But why are those who attended the clinic so afraid to speak of what happens there? And where did the faded restraint marks on Jamie's wrists come from? Kim makes a further chilling discovery – the head of the clinic, Celia Gardner, was sent there for conversion therapy when she was sixteen. Then the body of a young woman is found dead by suffocation, her death also staged to look like a suicide. Scarred from a previous case that nearly took her life, can Kim unearth the dark secrets within the Gardner family and is she strong enough to stop a terrifying killer silencing the clinic's previous patients one by one? The Silent Girls Dylan Young 2018-01-19

The Blossom Twins: An Absolutely Gripping Crime Thriller Carol Wyer 2019-12-12 Their parents thought they were hiding... One beautiful summer's evening, thirteen-year-old twins Ivy and Erin Westmore snuggle down in a tent in their back garden, giggling and sharing secrets. When their mother goes to wake the girls the next morning, their tent is empty. The alarm is raised and Detective Natalie Ward is put onto the case. When the twins' bodies are discovered on nearby marshland, covered with deep pink petals, an icy shiver travels down Natalie's spine. Everything about the girls' deaths reminds her of a horrifying case she worked on earlier in her career, which saw a killer of the worst kind placed behind bars. The next day, that feeling is heightened when she receives a chilling note saying 'I'm back'. Is this killer a copycat or did Natalie put the wrong person in prison all those years ago? In a small town, where no stranger goes unnoticed, what is Natalie missing? Consumed by the case, determined to prevent more deaths, Natalie misses the fact that it is her attention the killer wants. And to get it, he has his sights set firmly on her precious daughter Leigh... Gripping, fast-paced and nail-bitingly tense, this book will keep you flying through the pages long into the night. Perfect for fans of Angela Marsons, Rachel Abbott and Karin Slaughter. Readers are going crazy for The Blossom Twins: 'Wow, I just didn't want to put this down.
