Ashes Ilsa J. Bick 2011-09-01 An electromagnetic pulse flashes across the sky, destroying every electronic device, wiping out every computerized system, and killing billions. When it happens, Alex was hiking in the woods to say good-bye to her dead parents and her personal demons. Now desperate to find out what happened after the pulse crushes her to the ground, Alex meets up with Tom—a young soldier—and Ellie, a girl whose grandfather was killed by the EMP. For this improvised family and the others who are spared, it's now a question of who can be trusted and who is no longer human. Author Ilsa J. Bick crafts a terrifying and thrilling novel about a world that could be ours at any moment, where those left standing must learn what it means not just to survive, but to live amidst the devastation.

Patriot's Farewell Bobby Akart 2019-03-21 In politics, nothing happens by accident. If it happens, you can bet it was planned that way. FDR International best selling thriller author, Bobby Akart, returns to the Boston Brahmin series with page-turning action and timely political intrigue seemingly ripped from today's current events in PATRIOT'S FAREWELL, a Boston Brahmin political thriller. After a devastating cyber attack brought America to its knees, a reluctant hero emerged - a humble professor whose lineage dated back to the American Revolution. Responding to the battle cry, CHOOSE FREEDOM, patriotic Americans rallied around their new president, Henry Winthrop Sargent IV - Sarge to his friends. As his administration worked to rebuild the nation, Sarge called upon his closest friends, the Loyal Nine, to use their skills and resources to assist him. The nation, except for four states which seceded after the collapse, stood behind Sarge and his administration during his first term which focused on rebuilding the country. But as his second term in office comes to an end, the nation is still divided and the drumbeats of war can be heard from the other side of the world. The Boston Brahmin, a shadowy group of wealthy and politically connected financiers whose roots date back to the Sons of Liberty, still look to Sarge as their leader, but storm clouds are brewing and Sarge will find himself in the crosshairs of a power struggle. Can Sarge bring a divided nation together before he leaves office? Can a rebuilding military face off against a major superpower? Will Sarge survive a betrayal from within The Boston Brahmin? Filled with non-stop action and political intrigue, Bobby Akart's return to the Boston Brahmin series with PATRIOT'S FAREWELL promises a fast-paced thrill ride which will leave you burning through the pages. Author's Note: Patriot's Farewell does not contain strong language. It is intended to entertain and inform audiences of all ages, including teen and young adults. Geostorm The Flood Bobby Akart 2020-01-07 Since the formation of Earth billions of years ago, it has been through cataclysmic changes. She's been frozen and fried, pummeled from space and experienced natural changes like the reversing of its magnetic poles. It's happening now and the face of the planet may never be the

same."Geostorm will leave you breathless!"International bestselling author Bobby Akart delivers up-all-night survival thrillers in The Geostorm Series, the story of a planet-changing phenomenon, a natural disaster brought about by the Earth itself."Pulse pounding excitement. Akart pulls you into the story with his masterful writing talent until you are holding your breath captivated by the plot twists and each turn of the page leading you deeper into the world he has spun." Throughout the millennia, mankind has faced epic floods. Evidence shows that the sudden reversal of the planet's magnetic field, a fast pole reversal, had a profound impact on climactic conditions. What was once frozen, is not melted. The rising sea levels had to go somewhere. In past civilizations, man persevered because after these floods, the waters always receded. Until they didn't. As the catastrophe unfolds, does a well-intentioned effort to save America's power grid result in unintended deaths? How will families cope with the changing face of the planet, and the brutality of their fellow man?"One of the best living speculative fiction writers today." Will the planet return to the dark ages? Will we destroy civilization ourselves before the Sun gets its chance? Follow the story of the Boone family, Indiana farmers and their children who battle Mother Nature, her animals, and their fellow man, in The Flood. "Man, what a rush!" Earth is alive. Deep beneath her skin is our planet's life blood.Rivers of molten iron, pushing around a core - her beating heart.This moving, fluid iron generates the magnetic field maintaining the delicate balance of life on earth.Until she has a change of heart. "Spellbinding. Best Akart book to date-no one can hold your attention better!" International bestselling author Bobby Akart delivers pulse-pounding thrills in The Geostorm Series, the story of a planet-changing phenomenon, a natural disaster brought about by the Earth itself. "Every time I have read a series by this author, I think, wow, this is the best. Now, I think, this is definitely the best. Action, suspense, everything-a definite thumbs up."The Earth's magnetic field surrounds our planet like an invisible force field connected by a north and south pole. It's what makes compasses point north and it protects our atmosphere from the continual bombardment of geomagnetic storms from the Sun. Without a magnetic field, the planet's atmosphere would be stripped away leaving critical infrastructure at risk and humanity exposed to deadly radiation. What happens when these poles begin to wander? This field grows weaker with deadly consequences for all of humanity. The change in the world's climate could change the face of the planet as we know it. "Akart is one of those very rare authors who makes things so visceral, so real, that you experience what he writes." Readers will become enthralled with the discoveries of Chapman Boone, former storm chaser, and full-time field meteorologist who begins to experience extraordinary weather anomalies. His sister, Kristi Boone, is a Doctor of Veterinary Medicine known for being attune to the exotic animals within her care. At first, the changes in the animals' behavior are subtle ... until they aren't. Follow the story of the Squire and Sarah Boone family, Indiana farmers and their children who begin to recognize the signs of The Shift. "Bobby Akart is truly one of the best, greatest writers alive today."

Hood Evan Pickering 2016-01-13 A Legend is Reborn in the American Apocalypse. For Rob "Hood" Huntington, a regular twenty-something kid from D.C., the end of civilization happened in an instant. There were no warnings. One day, the power cuts off, and it never comes back on. His home city devolves to chaos after being decimated by a nuclear blast. An unknown war has shattered the American Civilization we all knew. Luckily for Hood, he quickly discovers he's one of the most naturally gifted marksmen alive. Two years have passed since civilization has collapsed. Hidden away in the mid-Atlantic countryside rests the small town of Clearwater, where Hood, his sister Taylor, and an ex-cop by the name of Whiskey lead a group of thieving survivors. In the remnants of America, two wasteland Kings fight a ruthless war for control of the land. A war Hood and his loved ones cannot escape. In between making bad jokes and getting drunk with the unlikely friends he's made in the Clearwater crew, Hood has to face the reality of this new world: you have to fight for your survival, you have to fight for your family, you have to fight for what you believe. Even if you see yourself in the faces of the people on the other end of the trigger. The American Rebirth Series #1 Hood #2 Legends #3 American Rebirth (to be released SUMMER 2017) If you enjoyed I Am Legend, The Road, The Walking Dead, or The Last of Us, you won't want to miss HOOD!

The Living David Kazzie 2017-06-02 Thirteen years have passed since the Medusa plague wiped out nearly 99 percent of the world's population and pushed humanity to the brink of extinction. Climate change triggered by nuclear skirmishes in the last fevered days of civilization decimated agriculture and livestock, and the hardened survivors battle for what few resources remain. Will Callahan is one of the lucky ones. In his small community in Nebraska, he and his family have access to food, clean water, weapons, and medical care. More importantly, he is the only child known to have survived infancy since the plague. But everything changes when someone comes looking for him.

All That Remains Jack Hunt 2019-08-08 On the brink of chaos, the journey of survival begins. Landon Gray, a skillful "ferry pilot" who delivers planes to customers has one final drop in Alabama before Christmas. But when an EMP causes the plane he's in to crash on the remote, snow-covered mountains of North Carolina, he's rescued by, Beth 'Bluebird' Sullivan, who claims to have lived off the grid since she was born. Beth brings him back to an isolated cabin to recover while waiting for her father to come back from the nearby town. When he doesn't return, Beth grows increasingly worried while Landon struggles with being far from home. Discovering what the country has suffered is just the beginning, they must now learn to trust each other in order to survive the extreme elements and dangers of a world without power. All That Remains is book one in Lone Survivor, a post-apocalyptic EMP thriller series following a group of survivors as they fight to stay alive after an EMP destroys the nation's power supply.

Texas Strong Bobby Akart 2018-04-07 Texas Free! Texas Strong! A battle cry rallied a new nation. But a storm is brewing which could challenge the Texans' way of life. A warning is issued ... you better leave well enough alone because you don't know nothin' about Texas Strong. The Lone Star Series continues with Texas Strong, book four in Author Bobby Akart's latest post-apocalyptic thriller fiction series. Nuclear armageddon struck the United States and Texas received a glancing blow. The Armstrong family is reunited and now they must turn their attention to the threats which exist all around them. Through prudent planning, Texas protected its power grid from the impact of the devastating electromagnetic pulse attack, but was it enough? The new nation is but an island surrounded by chaos and devastation. Food is running out for its nearly thirty million citizens while millions of refugees press against the borderfencing erected to keep them out. The pressure is on and an unexpected catalyst is about to create havoc for all Texans, including the Armstrong Ranch. The Lone Star Series is a thought-provoking, gut-wrenching look into a post apocalyptic country devastated by nuclear destruction. Would you be ready to make the tough decisions to protect your family and survive? AUTHOR'S NOTE

REGARDING PG-13 RATING The Lone Star Series does not contain strong language. It is intended to entertain and inform audiences of all ages, including teen and young adults. Although some scenes depict the realistic threat our nation faces from an EMP attack and nuclear destruction, and the societal collapse which will result in the aftermath, it does not contain graphic scenes typical of other books in the post-apocalyptic genre. I believe more of our young people need to lead a preparedness

lifestyle. Studies show that our millennials do not have any of the basic survival skills. By writing this series free of vulgarities and gratuitous sexual innuendo, I've intended it to be suitable for everyone. Thanks. BOOKS IN THE LONE STAR SERIES AXIS OF EVIL - Available now. The End G. Michael Hopf 2013-10-30 What would you do to survive? Young Gordon Van Zandt valued duty and loyalty to country above all, so after 9/11, he dropped out of college and joined the Marine Corps. This idealism vanished one fateful day in a war-torn city in Iraq. Ten years later, he is still struggling with the ghosts of his

past when a new reality is thrust upon him and his family: North America, Europe and the Far East have all suffered a devastating Super-EMP attack, which causes catastrophic damage to the nation's power grid and essential infrastructures. Everything from cell phones to cars to computers cease to function, putting society at a standstill. With civilization in chaos, Gordon must fight for the limited and fast dwindling resources. He knows survival requires action and cooperation with his neighbors, but as the days wear on, so does all sense of civility within his community—and so he must make some of the most difficult decisions of his life in order to ensure his family's safety. For readers of *Going Home* by A. American, *Lights Out* by David Crawford, *Lucifer's Hammer* by Jerry Pournelle and *One Second After* by William Forstchen.

Parable of the Sower Octavia E. Butler 2019-04-30 This highly acclaimed post-apocalyptic novel of hope and terror from award-winning author Octavia E. Butler "pairs well with *1984* or *The Handmaid's Tale*" (John Green, *New York Times*)--now with a new foreword by N. K. Jemisin. When global climate change and economic crises lead to social chaos in the early 2020s, California becomes full of dangers, from pervasive water shortage to masses of vagabonds who will do anything to live to see another day. Fifteen-year-old Lauren Olamina lives inside a gated community with her preacher father, family, and neighbors, sheltered from the surrounding anarchy. In a society where any vulnerability is a risk, she suffers from hyperempathy, a debilitating sensitivity to others' emotions. Precocious and clear-eyed, Lauren must make her voice heard in order to protect her loved ones from the imminent disasters her small community stubbornly ignores. But what begins as a fight for survival soon leads to something much more: the birth of a new faith . . . and a startling vision of human destiny.

Nuclear Winter First Strike Bobby Akart 2021-02-11 Nuclear war may kill millions.Nuclear Winter will kill billions. International bestselling author, Bobby Akart, one of America's favorite storytellers, delivers up-all-night thrillers to readers in 245 countries and territories worldwide. "Love the intensity of his stories, his thorough research, his creativity, the characterizations and the abundant action and realistic locations." Every war begins with a first shot. The shot heard 'round the world at Lexington and Concord in 1775 birthed a nation. Less than a century later, cannons firing on Fort Sumter, South Carolina thrust that same nation into a civil war. The assassination of an obscure archduke sparked a chain of events leading to World War I. The dastardly bombing of Pearl Harbor led America into the Second World War. "Bobby Akart is the master of nail biting, edge of your seat fiction based on fact." Akart's new novel, *Nuclear Winter First Strike*, depicts a world on the edge of nuclear Armageddon. Will history repeat itself as warring nations take their battles to the highest level of destruction? Can America avoid being drawn into these conflicts beyond her borders?Nuclear Armageddon hangs over us like a mighty sword and ordinary Americans will be caught in the crosshairs. "From the first word read to the last page turned, I knew Bobby Akart had a brilliant, engaging, horrifying tale to be told."This is more than the story of nuclear conflict. It's about the devastating effects wrought by *Nuclear Winter*. Our possible future is seen through the eyes of the Albright family whose roots stretch back to the early settlement of the Florida Keys.Hank Albright, a widower and proprietor of the Driftwood Key Inn, is the epitome of the laid-back islander inhabiting the Keys. His brother, Mike, is a homicide detective for the Monroe County Sheriff's department. Along with his wife Jessica, a paramedic and member of the Sheriff's department water emergency team, they become involved in the investigation of a sadistic serial killer. Hank's son, Peter Albright, is a Washington, DC reporter covering the State Department. He's unknowingly thrust into the middle of the conflict in the Middle East. Upon his return home, he begins to unravel a conspiracy leading to an unexpected dynamic between the President, the Secretary of State, and North Korea.As the drumbeats of war beat louder, Hank's oldest child, Lacey McDowell, begins to sense the warning signs. Along with her husband, Owen, and teenage son, Tucker, she begins to prepare for a hasty exit from their San Francisco Bay Area home. "Believable and relatable characters are developed in such a

spell-binding way that you must keep turning the pages."Will America become embroiled in the nuclear conflict? Will the President cross the Rubicon, that point of no return after which lives and cities may be destroyed? For the Albrights, like their fellow Americans, their lives are about to change forever.It was not our fight, but it became our problem."You are there. Feeling what they feel. Anger, joy, love, mourning. You feel it all. Not everyone can write a book like this. It takes a special writer to make you feel a book."Bobby Akart has delivered intense, up-all-night thrillers that have you whispering just one more chapter until the end.

Edge of Collapse Kyla Stone 2020-10-31 In the dead of winter, a super EMP destroys the nation's power grid. No electricity. No cars or phones. Worst of all: No heat. The country is plunged into instant chaos. But for twenty-six-year-old Hannah Sheridan, it's the best day of her life. For the last five years, she's been held captive by a sadistic psychopath--until the EMP releases the lock of her prison. Hannah emerges from her underground cell into a hostile winter landscape with no way to call for help, no vehicle that will drive, armed with nothing but the clothes on her back and her own determination to survive. Liam Coleman, cynical loner and former soldier, is headed nowhere fast. He believed he was prepared for any disaster--until the EMP took everything he'd ever cared about in a matter of seconds. When he runs across a desperate woman who will die without his help, he's forced to make a choice. Two hundred frozen, perilous miles stand between them and their destination in rural Michigan. But the lack of power, desperate people, and the treacherous elements aren't the only threats. Hannah's captor isn't about to let her go. He will hunt her to the ends of the earth and beyond, destroying anything and anyone who gets in his way. For she has something he wants--she's nine months pregnant with his child. Edge of Collapse is a gripping post-apocalyptic EMP thriller perfect for fans of Ryan Schow, Grace Hamilton, Harley Tate, Jack Hunt, and Boyd Craven.

Nuclear Winter Armageddon Bobby Akart 2021-03-20 For decades, Nuclear Armageddon hanged over us like a mighty sword. Some said it would be the war to end all wars. They were wrong. The real battle against extinction was just beginning. International bestselling author, Bobby Akart, one of America's favorite storytellers, delivers up-all-night thrillers to readers in 245 countries and territories worldwide. "Masterful and suspenseful!" This is how the world ends. Not with a bang, but with many nuclear bombs detonated around the planet. It was no longer a topic of conversation around the dinner table as in years past. Nobody was prepared, including the world's governments. Yet the threat was always real and the devastation was predictable. "Bobby's uncanny ability to take a topic of what could happen and write an epic story about it is short of preternatural!" The damage was incalculable. Millions died at the points of impact. Nuclear Winter spread across the globe. A rapidly cooling climate shocked humanity and all living things ... to their death. Akart's new Nuclear Winter series depicts a world on the edge of nuclear Armageddon. Nuclear Armageddon became reality and ordinary Americans are paying the price. "I never would have believed that Mr. Akart could outdo himself! Well, he has! This series is quite possibly the best he has ever written." This is more than the story of nuclear conflict. It's about the devastating effects wrought by Nuclear Winter. Our possible future is seen through the eyes of the Albright family whose roots stretch back to the early settlement of the Florida Keys. While they fight for survival, they trek across a rapidly deteriorating landscape wrought with danger from both the elements and their fellow man. It was not our fight, but it became our problem. "I am speechless. By far the most edge of your seat, acrylic nail biting book ever. E V E R." Bobby Akart has delivered intense, up-all-night thrillers that have you whispering just one more chapter until the end.

The Burning Tree Christopher Artinian 2021-06-24 The bunkers were built for the apocalypse. Just not the one they expected. Life was bad and getting worse in the depths of Salvation. It did not take the people of Level Three long to realise that the only reason they had been spared from the cataclysm was to become a slave class. Now, a single accident has changed everything. Fear is spreading like a virus. Rumours become facts the moment they're spoken. Neighbour is turning against neighbour. And time is running out fast. For most, this signals the end. For Callie and her friends, there is just one hope, but to find it, they're going to have to fight through the most terror-filled night of their lives. Can they escape the horror that awaits them? Or will these next few hours be their last?

Sanctuary G. Michael Hopf 2014-05-27 Book 3 of the New World Series Surviving the attack proved to be more than they could have imagined... Months after a super-EMP attack devastated the United States, the country is now unrecognizable. Major cities are run by gangs, survivors are dying of starvation and the government is falling victim to lawlessness. Those who were prepared for the end find that they weren't really prepared at all. While some seek vengeance for their losses, others are determined to restore the nation. Gordon, Samantha, Sebastian, Barone, Connor and Pablo are all on different paths, but they are all in search of a home away from chaos. They are all in search of a sanctuary.

The Final Day William R. Forstchen 2019-10-15 A major release in the New York Times bestselling One Second After series, set in an alternate America rebuilding after an electromagnetic pulse, this is William R. Forstchen's The Final Day. It's been more than two years since an EMP attack wiped out all electricity in the United States and plunged the country into darkness, starvation, and death. After fighting their fair share of battles in their North Carolina mountain town, John Matherson and the people in his community are beginning to restore the technologies and social order that existed prior to the EMP. Then the national government announces that it's ceding large portions of the country to China and Mexico; that the Constitution is no longer in effect; and that what's left of the US Army has been deployed to suppress rebellion in the remaining states. The man sent to confront John Matherson is General Bob Scales, Matherson's old commanding officer and closest friend from prewar days. Will General Scales follow orders, or might he be the crucial turning point in the quest for a re-united America? When news breaks that members of the federal

government knew the EMP attack was coming long before it hit, the government might get exactly what it fears: revolution.
